STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 10-144

Comments Due: September 2, 2010
Reply Comments Due: September 9, 2010

On July 15, 2010, TVC Albany, Inc. (TVC) and Tech Valley Holdings, LLC (Holdings) (together, Applicants) filed an application pursuant to section 63.03 of the Commission's rules to transfer control of TVC to Holdings.¹

TVC, a Delaware corporation, provides competitive local exchange and interexchange services in New York and Massachusetts. Holdings, a Delaware limited liability company, does not currently provide domestic telecommunications services. Following the completion of the proposed transaction, TVC will be controlled by Holdings. Holdings, in turn, will be owned by two U.S. based investments entities: Riverside Fund IV, L.P. (60-75 percent) and Riverside Fund IV Offshore, L.P. (20-25 percent) with certain of the current owners of TVC having minority interests in Holdings.²

Applicants state that the following U.S. entities own 10 percent or more of the equity of Riverside Fund IV, L.P.: Yale University (14.81 percent), Arkansas Teacher Retirement System (13.16 percent); West Virginia Investment Management Board (13.16 percent), and Riverside Partners IV, L.P. (general

¹ 47 C.F.R. § 63.03; *see* 47 U.S.C. § 214. Applicants are also filing an application for a transfer of control associated with authorization for international and wireless services. Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications. Applicants filed supplements to their domestic section 214 application on August 11 and 18, 2010.

² Applicants state that the merger agreement gives current TVC shareholders the right to roll over a portion of their interests from TVC to Holdings, and that the percentage of ownership held by the Riverside entities depends on the extent to which current shareholders exercise this right. They state that the current TVC shareholders will own no more than 20 percent of Holdings collectively, and no current TVC shareholder will have an interest of 10 percent or more in Holdings. Applicants have agreed to notify the Commission within 30 day of the completion of the transaction as to final ownership interests.

partnership interest).³ They further state that the following investment entities own 10 percent or more of the equity of Riverside Fund IV Offshore, L.P.: Ragunda, LLP (39.16 percent, Cayman Islands citizenship), Horsley Bridge IX, L.P. (19.57 percent, U.S. citizenship); BAE Systems Pension Funds Trustees Limited (10.28 percent, United Kingdom citizenship), Riverside Partners IV, L.P. (general partnership interest). No entity owns 10 percent or more of the equity of BAE Systems Pension Funds Trustees Limited. The following Cayman Islands-based investment entities each own 24.975 percent of the equity of Ragunda LLP: Norrby Holdings Limited, Ragunda Holdings Limited, Orsa Holdings Limited, and Falun Holdings Limited. Norrby Holdings Limited is a wholly-owned subsidiary of Ingelstorp Investments, a Cayman Islands company. Ragunda Holdings Limited is a wholly owned subsidiary of Hov Investments, a Cayman Islands company. Orsa Holdings Limited is a wholly-owned subsidiary of Djursholm Investments, a Cayman Islands company. Falun Holdings Limited is a wholly-owned subsidiary of Helsingfors Investments, a Cayman Islands company. Ingelstorp Investments, Hov Investments, Djursholm Investments, and Helsingfors Investments are each 100 percent owned by trusts with the same directors, each having an equal vote: Dr. Johannes Burger, an Austrian citizen; Dr. Heinz Grabher, an Austrian citizen; and Geoffrey Richards, a United Kingdom citizen. The following entities hold a 10 percent or greater interest in Horsley Bridge IX, L.P.: Railways Pension Trustee Company Limited (11 percent, United Kingdom citizenship) and The Northern Trust Company (11 percent, United States citizenship). Applicants state that no individual or entity owns ten percent or more of the equity of Railways Pension Trustee Company Limited. The Northern Trust Company is a wholly owned subsidiary of Northern Trust Corporation, a Delaware corporation with no 10 percent or greater interest holders.⁴

Applicants state that the proposed transaction contemplates a merger between TVC and TVC Merger Sub, Inc., a wholly-owned subsidiary of Holdings. TVC will be the surviving entity in the merger, and, as a result, TVC will become a wholly-owned subsidiary of Holdings. Applicants assert that the proposed transaction is entitled to presumptive streamlined treatment under section 63.03(b)(2)(i) of the Commission's rules and that a grant of the application will serve the public interest, convenience, and necessity.⁵
